

MY CME GUIDE - DESKTOP

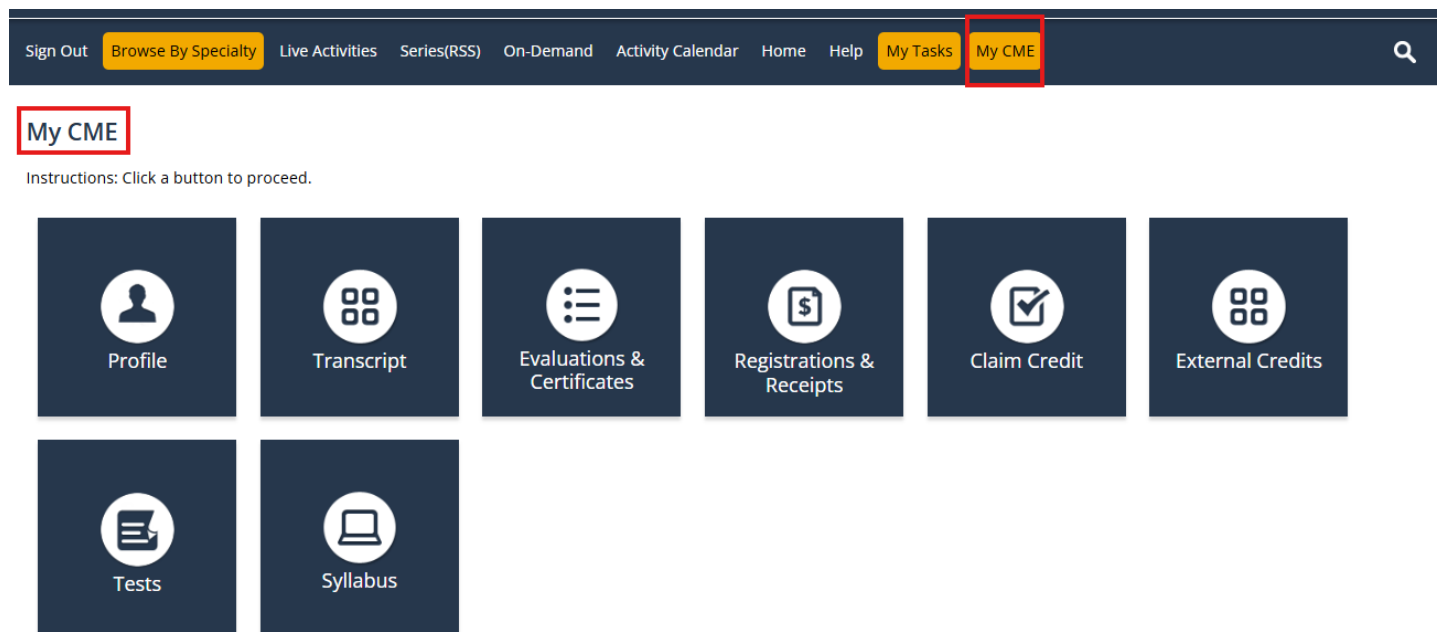

Note: Updated August 2026

CloudCME® is Allina Health's cloud-based platform to manage and deliver continuing education activities. Through this platform, providers can now access their transcripts (for activities starting January 1, 2026), register for activities, complete evaluations, claim MOC, access transcripts, obtain certificates, and more.

Allina Health's CloudCME® portal – <https://allina.cloud-cme.com> was chosen for its ease in self-management of your education tracking.

MY CME

When logged into CloudCME®, several buttons are available to you. These buttons provide different information on your activities and will in some cases only offer options for activities for which you are registered.

The screenshot displays the CloudCME desktop interface. At the top is a dark blue navigation bar with the following links: Sign Out, Browse By Specialty (highlighted in yellow), Live Activities, Series(RSS), On-Demand, Activity Calendar, Home, Help, My Tasks (highlighted in yellow), and My CME (highlighted with a red box). A search icon is located on the far right. Below the navigation bar, the 'My CME' section is highlighted with a red box. It includes the instruction: 'Instructions: Click a button to proceed.' Below this instruction are eight buttons arranged in two rows. The first row contains: Profile (person icon), Transcript (document icon), Evaluations & Certificates (list icon), Registrations & Receipts (dollar sign icon), Claim Credit (checkmark icon), and External Credits (document icon). The second row contains: Tests (document icon) and Syllabus (laptop icon).

Profile

Review and edit your information, select eligible credit types, and opt in for MOC points. All items marked in red must be completed to save your profile. Make sure to provide accurate details, credit distribution type is based off your information provided.

As an ACCME Accredited Provider, we share and transmit your CME/MOC completion data with the Accreditation Council for Continuing Medical Education (ACCME), licensing board(s), and participating certifying boards. If you wish to opt out of this service, please uncheck the box below: ⓘ

- ☒ I provide permission for my CME/MOC completion data to be shared and transmitted to the Accreditation Council for Continuing Medical Education (ACCME), licensing board(s), and participating certifying boards.

Submit

- **NOTE:** If you leave Allina and want to continue to access your CloudCME profile, please contact cme@allina.com with another email address to update your profile.

Transcript

Access and manage your transcript records. You can select a date range for your transcript records to display by entering a Start Date and an End Date and apply filters to narrow your search. Transcripts may be emailed to a recipient or downloaded.

- Cloud CME launched on 1/1/2026.
- You may need to also pull a transcript from the Allina Health Learning Hub.

Transcript
